

Recreational Course Details

4WD Courses Perth WA Below is a list and some general details on the 4WD Courses we conduct in Perth and around WA. We've been conducting these 4WD courses since 1994 so we reckon we've got the hang of it now Recreational 4WD Training

- ONE DAY INTRODUCTORY COURSE

\$250 per vehicle (passengers free) A great way to get started in 4WD driving. This introductory course is suitable for all types of 4WD vehicles big or small, including "Soft-Roaders". Held at our purpose built 4WD facility north of Perth we have everything for those who are just starting out. Tackle some very "interesting" soft sand tracks, sandhills, gravel ascents and descents plus much more. Learn the basics of recovery equipment and practice with our equipment. Vehicle inspections and recommendations on equipment are all a part of this fun day out for yourself and the family. This course is designed as a family day out, so BYO Lunch, and some cold drinks hat, sun screen and anything else you want (no alcohol or animals). For more information and pricing [Click Here](#) or you can go directly to our [Bookings & Enquiry page](#) or visit our [FAQ Page](#).

- BUSH TERRAIN ONE DAY 4WD COURSE

\$250 per vehicle (passengers free)

The Eureka "Bush Terrain" 4WD Training Course is generally held 40km East of Midland in an area called Ngangaguringguring (No not a typo).

Course content includes:

- Forest Tracks
- Rutted Tracks
- Uneven Rocky Crossings
- Water Crossing (Optional)
- Mud Tracks (Seasonal)
- Steep Ascents
- Steep Descents
- Recovery Equipment (Use & Selection)
- + Much More These day's have some very interesting sections, which will test out your vehicle and gives us some good opportunities to improve driving skills. For more information and pricing [Click Here](#) or you can go directly to our [Bookings & Enquiry Page](#) or visit our [FAQ Page](#).

- SAND DRIVING ONE DAY 4WD COURSE

\$250 per vehicle (passengers free)

The Eureka "Sand Driving" 4WD Training Course is generally held 55km North of Wanneroo in an area called Wilbinga (just north of Yanchep and Two Rocks). Course content includes:

- Sand Tracks
- Soft Rutted Tracks
- Uneven Sand Hills
- Sand Dunes
- Beach Driving (Seasonal)
- Tyre Pressures
- Steep Sand Ascents
- Steep Sand Descents
- Self Recovery
- Recovery Equipment (Use & Selection)
- + Much More As with the "Bush Terrain" 4WD Course, these day's have some very interesting sections, which will test out your vehicle and gives us some good opportunities to improve driving skills. You will need to bring a tyre pump, tyre pressure gauge and a shovel. For more information and pricing [Click Here](#) or you can go directly to our [Bookings & Enquiry Page](#) or visit our [FAQ Page](#) .

- ADVANCED 2 DAY SAND & BUSH 4WD COURSE

\$425 for 2 days (passengers free)

Both days will involve recovery techniques and you will need recovery points fitted to the front and rear of your vehicle. Sorry but vehicles without Low Range gears and/or insufficient ground clearance will not be able to take part.

It is generally expected that participants will have previously completed the Sand and Bush courses before undertaking this advanced course.

"No recovery Points No Start" Please call (08) 9497 5655 if you're not sure.
