

About Us

Why Eureka 4 Wheel Driver Training ?Eureka 4WD Training started 4WD Training operations in Perth WA in 1994 and we are still going strong.

We have new offices in Armadale which are manned (Mon - Fri 8am - 5pm) by friendly helpful and knowledgeable support staff. We also have a great team of dedicated and highly qualified 4WD Trainers.We specialise in 4WD Training. That's what we're good at, so that's what we stick to. Eureka are proud to have been the 1st Company in WA, to qualify and be licensed by the Training Accreditation Council of Western Australia under the Australian Quality Training Framework (AQTF) who are able to deliver Nationally Recognised 4WD Training Courses. We are AQTF 2007 Compliant. Our National RTO Number is 6716.Having built Eureka 4WD Training over the past 16 years I'm proud of what we have achieved but we're never complacent, and always ready to listen. I welcome your calls on 9497 5655 if there is anything you want to talk about, a new

training project or just for a chat. Regards,Ray HarrisFor the Mining, Construction and Drilling Industry
